Important: Please be advised that NCIS on the GO only provides basic services. Should an emergency or critical situation occur, the patient will be sent to the hospital via an ambulance.

How Does It Work?

- NCIS releases schedule of available locations quarterly
- Patient makes an appointment (at least one day in advance)
- NCIS confirms appointment
- Patient turns up at scheduled appointment time and location

Home-based services do not follow a schedule, please contact us to enquire.
