

ABOUT US

The National University Cancer Institute, Singapore (NCIS) is a national specialist centre under the National University Health System (NUHS), located at the National University Hospital (NUH). While its main cancer services are anchored at NUH, NCIS continues to improve accessibility by providing cancer services through satellite clinics at partner sites like the Ng Teng Fong General Hospital, Alexandra Hospital, Jurong Medical Centre, and Tan Tock Seng Hospital. There are also programmes in place providing cancer services to patients at home and in the community.

Managed by NUHS Fund Limited, the NCIS Cancer Fund provides funding for underprivileged patients, cancer research and the education and training of healthcare professionals.

NCIS Cancer Fund's objectives;

- To assist patients who are in financial need
- To assist in funding of relevant research in common cancers.
- To assist in the development of services that will enhance cancer care in Singapore
- To help staff keep abreast of the advances in cancer management.

Your Help Empowers.

SHARING THEIR BURDENS, LIFTING THEIR HEARTS

NCIS Cancer Fund makes it possible for less fortunate cancer patients to receive critical cancer treatments which are often costly. Every year, we support up to 100 cancer patients with your help.

Here are some of the many thankful cancer patients who have benefited directly from the fund.

“No words can describe how grateful I am for the help that NCIS Cancer Fund has given me during my difficult time. It really eased my mind and my financial burden. May the donors be blessed with happiness and well-being throughout their lives”

Mdm Y, age 40, mother of three children, diagnosed with Lymphoma since 2017.

“I would like to sincerely give a big thank you to NCIS Cancer Fund for helping me so much. Everyone who helped me through finance. I appreciate so much. Words are so hard to describe how grateful and thankful I am.”

Mdm I, age 43, mother of four children, diagnosed with Cervical Cancer since 2018.

“NCIS Cancer Fund has helped us a lot. It has given me and my mum relief and comfort. With the pain and ongoing medication consumption, and not knowing what's next in my mum's health; we don't have to worry about medical expenses since it's been assisted with. We truly appreciate the fund. Thank you to NCIS Cancer Fund and NUH MSW for helping us!”

Mdm A, daughter of Mdm H B Kamardin, age 80, diagnosed with Metastatic Follicular Thyroid Carcinoma since 2015.

Join us in the fight against cancer and make a difference in the lives of less fortunate patients.

EMPOWER LIVES BY CONTRIBUTING TO THE NCIS CANCER FUND

Help our patients cope with the financial burden of costly treatments. Your generous gift will also help us develop better methods to diagnose and treat the disease, improving the survival rates of cancer patients. NO ONE should have to fight the battle against cancer alone; we need your support.

Managed by NUHS Fund Limited*, the NCIS Cancer Fund provides funding for underprivileged patients, cancer research, and the education and training of healthcare professionals.
